E^m D⁶ E^m D⁶
On the first part of the journey, I was lookin' at all the life

E^m D⁶
There were plants and birds and rocks and things

E^m D⁶
There was sand and hills and rings

E^m D⁶ E^m D⁶
The first thing I met was a fly with a buzz, and the sky with no clouds

E^m D⁶
The heat was hot and the ground was dry

E^m D⁶
But the air was full of sound

CHORUS:

E^m D⁹
I've been through the desert on a horse with no name

E^m D⁹
It felt good to be out of the rain

E^m D⁹
In the desert you can remember your name

E^m D⁹
'Cause there ain't no one for to give you no pain

E^m D⁹ E^m D⁹ E^m D⁹ E^m D⁹
La la, la la la la, la la la, la la, La la, la la la la, la la la, la la

(Repeat last line to end song)

E^m **D⁶** **E^m** **D⁶**
After two days in the desert sun, my skin began to turn red

E^m **D⁶** **E^m** **D⁶**
After three days in the desert fun, I was looking at a river bed

E^m **D⁶**
And the story it told of a river that flowed

E^m **D⁶**
Made me sad to think it was dead

CHORUS:

E^m **D⁶** **E^m** **D⁶**
After nine days I let the horse run free, 'cause the desert had turned to sea

E^m **D⁶**
There were plants and birds and rocks and things

E^m **D⁶**
There was sand and hills and rings

E^m **D⁶** **E^m** **D⁶**
The ocean is a desert with it's life underground, and a perfect disguise above

E^m **D⁶**
Under the cities lies a heart made of ground

E^m **D⁶**
But the humans will give no love

CHORUS:
