Hear the lonesome whippoorwill

F A^m C^{m7} F⁷
He sounds too blue to fly

B^b B^{bm6} F D^m
The midnight train is whining low

I'm so lonesome I could cry

F A^m D^m F
I've never seen a night so long

F A^m C^{m7} F⁷
When time goes crawling by

B^b B^{bm6} F D^m
The moon just went behind a cloud

F C F C⁷
To hide it's face and cry

F A^m D^m F
Did you ever see a robin weep

F A^m C^{m7} F⁷
When leaves begin to die

B^b B^{bm6} F D^m
 That means he's lost the will to live

 I'm so lonesome I could cry
