//// // //

**G**  
I don't care if you never come home

**C**  
I don't mind if you just....

**G**  
Keep on rolling away on a distant sea

**D G G**  
'Cause I don't love you and you don't love me.

**G**  
You cause a commotion when you come to town

**C**  
Give 'em a smile and they melt

**G**  
Having lovers and friends is all good and fine,

**D G G**  
But I don't like yours and you don't like mine.

**C G D D**  
La la... la la la la la

**C G D G G**  
La la... la la la la la

**G**  
I don't care what you do at night

**C**  
And I don't care how you get your delights,

**G**  
I'll leave you alone, I'll just let it be

**D G G**  
I don't love you and you don't love me.

**CHORUS:**

**C** I got a problem, **G** can you relate,  
**A<sup>m</sup>** I got a woman, **G G** callin' love hate  
**C** We made a vow, **G** we'd always be friends  
**A<sup>m</sup>** How could we know that promises end? **G G**

**C G D D**  
 La la... la la la la la  
**C G D G G**  
 La la... la la la la la

**G**  
 I tried to love you for years upon years,  
**C**  
 You refused to take me for real  
**G**  
 It's time you saw what I want you to see  
**D G G**  
 And I'd still love you if you'd just love me.

**CHORUS:**

**END WITH:**

**C G D D**  
 La la... la la la la la  
**C G D D**  
 La la... la la la la la  
**C G D D**  
 La la... la la la la la  
**C G D D G**  
 La la... la la la la la /
