D G
I took off for a weekend last month
A D
Just to try and recall the whole year
G
All of the faces and all of the places
A D
Wonderin' where they all disap-peared

B^m F^{#m}
I didn't ponder the question too long
G A
I was hungry and went out for a bite
G D
Ran into a chum with a bottle of rum
A D
and we wound up drinkin' all night

G D
It's those changes in latitudes, changes in attitudes
A D
Nothing remains quite the same
G D
With all of our running and all of our cunning
A G D D
If we couldn't laugh we would all go in-sane

D G
Reading departure signs in some big airport
A D
Re-minds me of the places I've been
G
Visions of good times that brought so much pleasure
A D
Makes me want to go back a-gain

B^m F^{#m}
If it suddenly ended to-morrow
G A
I could somehow adjust to the fall
G D
Good times and riches and son of a bitches
A D
I've seen more than I can re-call

G **D**
 It's those changes in latitudes, changes in attitudes
A **D**
 Nothing remains quite the same
G **D**
 Through all of the islands and all of the highlands
A **G** **D** **D**
 If we couldn't laugh we would all go in-sane

D **G**
 I think about Paris when I'm high on red wine
A **D**
 I wish I could jump on a plane
G
 So many nights I just dream of the ocean
A **D**
 God, I wish I was sailin' again

B^m **F^{#m}**
 Oh, yesterday's over my shoulder
G **A**
 So I can't look back for too long
G **D**
 There's just too much to see waiting in front of me
A **D**
 And I know that I just can't go wrong

G **D**
 With these changes in latitudes, changes in attitudes
A **D**
 Nothing remains quite the same
G **D**
 With all of my running and all of my cunning
A **G** **D**
 If I couldn't laugh, I just would go in-sane
A **G** **D**
 If we couldn't laugh, we just would go in-sane

A **G** **A** **G** **| D | A | D**
 If we weren't all crazy we would go in- sane
