Crying Time

/ / /       / / /       / / / . . .

C            G\(^7\)
Oh it's crying time again you're gonna leave me

G\(^7\)           C
I can see that far away look in your eye

C\(^7\)           F
I can tell by the way you hold me darling

C            G\(^7\)           C
That it won't be long before it's crying time

G\(^7\)
Now they say that absence makes the heart grow fonder

G\(^7\)           C
And that tears are only rain to make love grow

C\(^7\)           F
Well my love for you could never grow no stronger

C            G\(^7\)           C
If I live to be a hundred years old

C            G\(^7\)
Oh it's crying time again you're gonna leave me

G\(^7\)           C
I can see that far away look in your eye

C\(^7\)           F
I can tell by the way you hold me darling

C            G\(^7\)           C
That it won't be long before it's crying time
Now you say that you've found someone you love better
That's the way it's happened every time before
And as sure as the sun comes up tomorrow
Crying time will start when you walk out the door

Oh it's crying time again you're gonna leave me
I can see that far away look in your eye
I can tell by the way you hold me darling
That it won't be long before it's crying time
Oh, it won't be long before it's crying time
