\( D^m \)

Never know how much I love you, never know how much I care

\( A^7 \quad D^m \)

When you put your arms around me, I get a Fever that's so hard to bear

You give me Fever, when you kiss me, Fever when you hold me tight

\( A^7 \quad D^m \)

Fever, in the morning, Fever all through the night

\( D^m \)

Sun lights up the daytime, moon lights up the night

\( A^7 \quad D^m \)

I light up when you call my name, and you know I'm gonna treat you right

You give me Fever, when you kiss me, Fever when you hold me tight

\( A^7 \quad D^m \)

Fever in the morning, Fever all through the night

Everybody's got the Fever that is something you all know

\( A^7 \quad D^m \)

Fever isn't such a new thing, Fever started long ago
