 The moon is bright tonight, shining on your face
G⁷ **C**
 Red ginger blooms tonight. The moment we embrace

G⁷ **C**
 The palm trees sway in time, to the falling rain
G⁷ **C**
 One kiss and so much more; until we meet again

G⁷ **C**
 Wait for me, I'll meet you in Waikiki
G⁷ **C**
 Under the banyan tree; where we fell in love

G⁷ **C**
 Wait for me. In your arms I long to be
