If I needed you, would you come to me ?

G A D D
Would you come to me, for to ease my pain ?

If you needed me, I would come to you,

G A D D
I would swim the seas, for to ease your pain.

Well the nights forlorn, and the morning's born.

G A D D
And the morning shines, with the lights of love.

D
And you'll miss sunrise, if you close your eyes,

G A D D
And that would break my heart in two.

D
If I needed you would you come to me ?

G A D D
Would you come to me for to ease my pain ?

D
If you needed me I would come to you,

G A D D
I would swim the seas for to ease your pain.

D
Baby's with me now since I've showed her how,

G A D D
To lay her lily hand in mine.

D
Who would ill agree she's a sight to see

G A D D
A treasure for the poor to find

D
If I needed you, would you come to me ?

G A D D
Would you come to me, for to ease my pain ?

If you needed me, I would come to you,
