I'm So Lonesome I Could Cry

Hank Williams

3/4 time

B♭ B♭m6 F D♭m F C F C7

I'm so lonesome I could cry

F A♭m D♭m F
Hear the lonesome whippoorwill

F A♭m Cm7 F7
He sounds too blue to fly

B♭ B♭m6 F D♭m
The midnight train is whining low

F C F C7
I'm so lonesome I could cry

F A♭m D♭m F
I've never seen a night so long

F A♭m Cm7 F7
When time goes crawling by

B♭ B♭m6 F D♭m
The moon just went behind a cloud

F C F C7
To hide it's face and cry

Did you ever see a robin weep

F A♭m Cm7 F7
When leaves begin to die
That means he's lost the will to live

I'm so lonesome I could cry

Hear the lonesome whippoorwill

He sounds too blue to fly

The midnight train is whining low

I'm so lonesome I could cry

The silence of a falling star

Lights up a purple sky

And as I wonder where you are

I'm so lonesome I could cry
