When you love, uku-lele style
With every note your heart will float
Far away to a tropic isle
While a ukulele tune is softly played

Strolling along beneath the starlight
Dreaming a lover’s dream for two
Soon you will see her eyes are star bright
As the ukulele magic comes through

Now if you want to satisfy
The one you love all else above
Take a tip and be sure you try
The ukulele style of makin’ love
The ukulele style of makin’ love
