C    F    F
In constant sorrow all through his days

F       Bb
I am a man of constant sorrow

C    F
I've seen trouble all my days

Bb
I bid farewell to old Kentucky

C    F
The place where I was born and raised

C    F    F
(The place where he was born and raised)

F       Bb
For six long years I've been in trouble

C    F
No pleasure here on earth I found

Bb
For in this world I'm bound to ramble

C    F
I have no friends to help me now

C    F    F
(He has no friends to help him now)

F       Bb
It's fare thee well my old true lover

C    F
I never expect to see you again
For I'm bound to ride that northern railroad
    C   F
Perhaps I'll die upon this train
    C   F   F
(Perhaps he'll die upon this train)

    F   Bb
You can bury me in in some deep valley
    C   F
For many years where I may lay
    Bb
And you may learn to love another
    C   F
While I am sleepin' in my grave
    C   F   F
(While he is sleepin' in his grave)

    F   Bb
Maybe your friends think I'm just a stranger
    C   F
My face you'll never see no more
    Bb
But there's one promise that is given
    C   F
I'll meet you on God's golden shore
    C   F   F
(He'll meet you on God's golden shore)  / / /
