Promises

G          G          G          G
/ / / /     / / / /     / / / /     / / / /

G
I don't care if you never come home
C
I don't mind if you just....

G
Keep on rolling away on a distant sea
D          G          G

‘Cause I don't love you and you don't love me.

G
You cause a commotion when you come to town
C
Give 'em a smile and they melt

G
Having lovers and friends is all good and fine,
D          G          G
But I don't like yours and you don't like mine.

C          G          D          D
La la.... la la la la la
C          G          D          G          G
La la.... la la la la la

G
I don't care what you do at night
C
And I don't care how you get your delights,
G
I'll leave you alone, I'll just let it be
D          G          G

I don't love you and you don't love me.
CHORUS:

C       G
I got a problem, can you relate,

A\textsuperscript{m}       G     G
I got a woman, callin' love hate

C       G
We made a vow, we'd always be friends

A\textsuperscript{m}       G     G
How could we know that promises end?

C       G       D       D
La     la....  la   la   la   la   la

C       G       D       G     G
La     la....  la   la   la   la   la

G
I tried to love you for years upon years,

C
You refused to take me for real

G
It's time you saw what I want you to see

D       G     G
And I'd still love you if you'd just love me.

CHORUS:

END WITH:

C       G       D       D
La     la....  la   la   la   la   la

C       G       D       D
La     la....  la   la   la   la   la

C       G       D       D
La     la....  la   la   la   la   la

C       G       D       D       G
La     la....  la   la   la   la   la   /
