Ragtime Cowboy Joe          Sons Of The Pioneers

\[ \begin{align*}
G^7 & \quad C^7 & \quad F \\
// & \quad // & \quad // & \quad . . . \\
\end{align*} \]

F
He always sings, raggedy music to the cattle

\[ G^7 \]
As he swings, back and forward in the saddle

C^7
On a horse, a pretty good horse

\[ \begin{align*}
F & \quad D^{\text{m}} \\
\end{align*} \]
That's syncopated, gaited, and there's such a funny meter

\[ \begin{align*}
G^7 & \quad C^7 & \quad F \\
\end{align*} \]
To the roar of his repeater, how they run

When they hear that fellow's gun

\[ G^7 \]
Because the Western folks all know

\[ D^{\text{m}} \]
He's a high falutin', rootin', tootin'

\[ \begin{align*}
G^7 & \quad C^7 \\
\end{align*} \]
Son of a gun from Arizona, ragtime cowboy

\[ \begin{align*}
G^7 & \quad C^7 \\
\end{align*} \]
Talk about your cowboy

\[ \begin{align*}
G^7 & \quad C^7 & \quad F \\
\end{align*} \]
