Up Around the Bend

John Fogerty

D
There’s a place up ahead and I’m goin’
A                                D
just as fast as my feet can fly

Come away, come away if you’re goin’
A                                D
leave this sinkin’ ship be-hind

G    D    A
Come on the risin’ wind,
G    D    A    A
We’re goin’ up around the bend

D
Bring a smile and a song for the banjo,
A                                D
better get while the getting’s good

Hitch a ride to the end of the highway
A                                D
where the neons turn to wood

G    D    A
Come on the risin’ wind,
G    D    A    A
We’re goin’ up around the bend

D
You can ponder perpetual motion,
A                                D
fix your mind on a crystal day

Always time for a good conversation,
A                                D
there’s an ear for what you say
Come on the risin' wind,
We're goin' up around the bend

Catch a ride to the end of the highway
and we'll meet by the big red tree

There's a place up ahead and I'm goin';
come along, come along with me

Come on the risin' wind,
We're goin' up around the bend

Come on the risin' wind,
We're goin' up around the bend
